RESPONSE TO RESTRICTION REQUIREMENT

In response to the Restriction Requirement mailed March 17, 2004, Applicants respond as follows:

Applicants respectively traverse the Restriction Requirement. The apparatus in the first species comprises the means which enable the method in the second species to be performed. The two species of claims are therefore interrelated.

Subject to the above remarks, if the Examiner maintains the restriction requirements, applicants elect, with traverse the claims in the first Group drawn to the apparatus, claims 1-7.

A complete copy of pages 1-14 of the original specification is enclosed.

A complete copy of all pending claims 1-22, designated "Original" and "Previously Presented" as appropriate.

The Preliminary Amendment of January 9, 2002 and the Second Preliminary Amendment of January 16, 2002 included Amendments to the specification, but these are not mentioned in the current action and therefore are not submitted.

Respectfully submitted,
